

WACO McLENNAN COUNTY LIBRARY

## Free Children's Activities Summer 2010

[www.wacomclennancountylibrary.com](http://www.wacomclennancountylibrary.com)

We're loading up our *Reading Express* to bring area children an exciting and educational summer of reading activities. Our goals are to help children maintain and improve their reading skills, and to encourage them to become lifelong readers and library users.

The *Reading Express* will pull into the *Education Service Center* on *Monday, April 19*, from *4:30 – 6 pm* with a preview aimed for librarians and teachers. We hope you will attend!

We'll have packets of information about our summer literacy activities, provide tips on how to promote the club, and explore other collaborative efforts such as posting summer reading lists from area schools on our website. We know these summer efforts will benefit your students during the break in the school year.

Our "Reading Express" *Summer Reading Club* (Held June 1 – August 15) helps students keep reading skills fresh during the summer break. They earn prizes and recognition for their reading efforts. It provides an opportunity for both free-choice and Accelerated reading.

Our *Summer Showcase* performers also promote reading during their puppet shows, plays, music, & wild animal shows. *Summer Showcase* is held weekly during June & July at all four library locations.

*Angel Paws Reading Buddies* helps students with their confidence by having them read aloud to dogs. This is especially beneficial to struggling readers who feel the dogs don't pass judgment on their reading abilities.

We hope that you can attend our "Reading Express" Summer Preview and promote our summer activities with your students so that the next school year will be a success!  
Thanks for your support!
